

INDEX

Vol. 118, January-June 1956

A

Abbondi, Frank B., A.B. The Treatment of Mumps and Complicating Epididymo-Orchitis by Tetracycline Hydrochloride and Streptokinase 31
Address, Association President's. Major Gen. Jos. I. Martin, MC, USA 242

Andrews, Howard L., Ph.D. Phenomena Associated with Nuclear Detonations 267
Association Notes 80, 160, 223, 443, 523, 586
Atomic Age, Preventive Medicine in an. Leonard A. Scheele, M.D. 114
Atomic Medicine, Ten Years of. Shields Warren, M.D. 257

B

Book Reviews: 82, 172, 460, 537, 598
Bowers, Warner F., Col, MC, U.S. Army. Surgical Treatment in Abdominal Trauma. A Comparison of Results in War and Peace 9

Parenteral Trypsin Therapy for Thrombophlebitis, Thromboembolism, and Chronic Venous Occlusion of the Lower Extremities 562
Bradley, Bruce E., Rear Adm. (MC), USN. Medical Personnel Problems in the Military Service 109
Brain, Fat Embolism of the: Mechanism of. Col. John H. Schaefer, MC, AUS, Ret. 496
Brain, Fungus Cerebri as a Complication of Missile Wounds of the. Cyril B. Courville, M.D., Major J. B. Moyar, M.C., U.S. Army, Capt. E. W. Eberlin, M.C., U.S. Army and Webb Haymaker, M.D. 473
Byrnes, Victor A., Col. USAF (MC). Eye Injuries in Nuclear Warfare 286

C

Calendar of Commemoration for 1956, Memorable Events, Lives, and Books. Claudius F. Mayer, M.D. 37

Casualties, Principles of Care of Mass: Introduction to Principles and Objectives 294
Protective Measures in Nuclear Warfare 296
Casualty Estimates in Nuclear Warfare 300
Initial Aid and Rescue 305
Sorting and Classification of Casualties 307
Emergency Medical Care 311
Treatment of Mass Mechanical Injuries 314
Mass Thermal Burns 319
Introduction to the Problem 326
Treatment of Radiation Injuries 328
Management of Mass Psychiatric Casualties 335
The Cost of Delayed Medical Care 343
Military Medical Aspects of Antibiotics and Biologicals for Mass Casualties 358
Blood and Plasma Volume Expanders in the Treatment of Mass Casualties 364
Sedation, Analgesia and Anesthesia for Mass Casualties 373
Discussions: 379

Casualties, Organization for the Management of Mass: Introduction to the Problems 381
Public Health and Sanitation Problems in Nuclear Warfare 386

Welfare Problems in Nuclear Warfare 390
The Role of Nurses 393
The Role of Medical Service Corps Officers in the Management of Mass Casualties 396
The Role of Dietitians, Physical and Occupational Therapists in the Management of Mass Casualties 399
Role of Enlisted and Technical Assistants 402
Role of the Veterinary Officer in the Management of Mass Casualties 404
The Role of the Dental Officer 408
Role of Medical Officers 411
Summary and Discussion 413
Introduction to Problems 414
Training and Management of Mass Casualties 420
Organization for the Sorting of Casualties 423
Expansion of Army Hospitals 429
Organization of "Medical Holding Units" 432
Summary 434

Casualty in the Combat Zone, Management of the Thoraco-Abdominal. Lt. Col. H. Haskell Ziperman, MC, USA 186

Confederacy, Medicine in the. Harris D. Riley, Jr., M.D. 53, 144
Constitution and By-laws of the Association of Military Surgeons of the U.S. 237

Coone, Herbert W., Col. USAF (MC). Military Medical Aspects of Antibiotics and Biologicals for Mass Casualties 358

Cooney, James P., Major Gen. M.C., U. S. Army. Medical Effects of Nuclear Warfare: Introduction to Problems 264
Summary and Discussion of Medical Effects 293
Cooper, Thomas F., Read. Adm. MC, U. S. Navy. Organization for the Management of Mass Casualties—Introduction to the Problems 379
Cornell, Robert C., M.D. Traumatic Osteochondritis of the Knee 567
Courville, Cyril B., M.D. Fungus Cerebri as a Complication of Missile Wounds of the Brain 473
Cronkite, E. P., Cdr. MC, U. S. Navy. Treatment of Radiation Injuries 328

D

Dana, Rear Adm. Winfred P., Our New President 3
Death following X-Radiation of the Mouse Fetus on Gestation Day 13.5, Neurological Corollaries of Neo-Natal. Roberts Rugh and Joan Wolff 543

DeBakey, Michael E., M.D. The Cost of Delayed Medical Care 343
Delahunt, John C., Major USAF (MSC). Role of Enlisted and Technical Assistants 399

Dental Corps Officer, Career Guidance and Programming for. Major Gen. Oscar P. Snyder, DC, USA 572
Devolites, Milton C., Lt. Col. MSC, U. S. Army. Staffing Standards for the Radiological Service 128

Dooley, Michael B., Lt. MC, USNR. Three Year Photofluorographic Survey at the Philadelphia Naval Base 209
Dripps, Robert D., M.D. Sedation, Analgesia and Anesthesia for Mass Casualties 369

E

Eberlin, E. W., Capt. M.C., U. S. Army. Fungus Cerebri as a Complication of Missile Wounds of the Brain 473

Editorials: Medicine and Morale 65
Medical Care 154
The Red Cross 216

I Looked in Five Directions 216
Time for Action 436
Armed Forces Day 436
Vacation Times 517

Our 1956 Convention 578
Tribute to a Passing Era 578
Eisenhower, Wire Message to President. The President's Reply 8

Epileptics, Papaverine Hydrochloride in Status. Lothar Wirth, M.D. 507

F

Family Care in the Military Service. Major Gen. Dan C. Ogle, USAF (MC) 112
Fanning, Robert J., Major D.C., U. S. Army. Refined Sugar: Its Relation to Dental Caries 508

G

Gastric Distention from Ingested Air. Lothar Wirth, M.D. 577
Germany, An Army Hospital in 514

Ginsberg, Milton, M.D. The Treatment of Mumps and Complicating Epididymo-Orchitis by Tetracycline Hydrochloride and Streptokinase 31

Glass, Albert J., Col, MC, U. S. Army. Management of Mass Psychiatric Casualties 335
Glattly, H. W., Brig. Gen. M.C., U. S. Army. Organization for the Management of Mass Casualties—Summary and Discussion 411

Goldstein, Joseph D., Lt. Col/MC, U. S. Army. Organization for the Sorting of Casualties 420
Grimes, James T., Capt. M.C., U. S. Army. The Problem of Tuberculosis in Military Medicine 502

H

Hartgering, James B., Lt. Col. M.C., U. S. Army. Sorting and Classification of Casualties 307

Hartman, Albert W., M.D. Parenteral Trypsin Therapy for Thrombophlebitis, Thromboembolism, and Chronic Venous Occlusion of the Lower Extremities, Hauge, Cecilia H. R. N. Organization and Management of Mass Casualties—The Role of Nurses	562	Niiranen, J. V., Capt. DC, U. S. Navy. The Role of the Dental Officer	404
Haymaker, Webb, M.D. Fungus Cerebri as a Complication of Missile Wounds of the Brain	390	Norman, I. L. V., Rear Adm. MC, U. S. Navy. Principles of Care of Mass Casualties—Introduction to the Problem	326
Hays, Silas B., Major Gen. M.C., U. S. Army. Military Hospitals	473	Nuclear Warfare, Medical Effects of: Introduction to Problems	264
Head Wounds—Fragments of Civil War History, Paul E. Steiner, M.D.	177	Phenomena Associated with Nuclear Detonations	267
Holt, Rufus L., M.D. Introduction to Problems	493	Mechanical and Secondary Missile Injuries	271
Hopkins, G. Wendell, M.D. Carbon Dioxide Therapy in Psychiatric Patients	413	Thermal Injuries of Nuclear Warfare	274
Hospitals, Military, Maj. Gen. Silas B. Hays, MC, USA	497	Radiation Injuries Resulting from Nuclear Explosion and Fallout	279
Houghton, Karl H., Col. USAF (MC). Role of Medical Officers	177	Eye Injuries in Nuclear Warfare	286
Howard, John M., M.D. The Cost of Delayed Medical Care	408	Summary and Discussion of Medical Effects	293
Hozier, John B., M.D. Principles of Care of Mass Casualties: Introduction to Principles and Objectives	343	O	
Hullinghorst, R. L., Col. M.C., U. S. Army. Summary: Organization for the Management of Mass Casualties	294	Obituaries	
I	343	Angonnet, Claude A., Cdr. USN, Ret.	234
Irradiation Injury, The Hematopoietic Effects of. William S. Middleton, M.D.	251	Beeuwkes, Henry, Col. USA, Ret.	458
K	343	Bradford, Henry C., Col. USA, Ret.	234
